

CALL FOR PAPER

The 14th Asian Biohydrogen, Biorefinery and Bioprocess Symposium- ABBS 2019

“**Innovation and technology towards a sustainable Bioeconomy**”.

INVITATION FROM THE CHAIRMAN OF THE ORGANIZING COMMITTEE

It is a great pleasure to invite you to the 14th Asian Biohydrogen, Biorefinery and Bioprocess Symposium (ABBS 2019), which will be held from **November 13-15, 2019** at Hanoi University of Science and Technology, Hanoi, Vietnam. The symposium theme is “**Innovation and technology towards a sustainable Bioeconomy**”. This event aims to share the knowledges and practices, to motivate discussion to enhance the exchange views for advancing technologies in Biomass utilization, to promote University-Industry cooperation and HR development.

The ABBS Symposiums were organized annually by The Asia BioHyLinks (ABHL) around the Asia countries: Taichung (Taiwan) 2006, Daejeon (Korea) 2007, Harbin (China) 2008, Khon Kaen (Thailand) 2009, Taichung (Taiwan) 2010, Bogor (Indonesia) 2011, Chongqing (China) 2012, Osaka (Japan) 2013, Melaka (Malaysia) 2014, Kenting (Taiwan) 2015, Jeju (Korea) 2016, Khonken (Thailand) 2017, Henang (China) 2018. In 2019, the 14th symposium will be held in Hanoi, Vietnam in close cooperation with Hanoi University of Science and Technology.

ABBS 2019 will include keynote and invited speeches, oral presentations and poster sessions covering various aspects of sustainable and innovative technologies in Biohydrogen, Biorefinery and Bioprocess. The Symposium papers will be published in the Symposium Proceeding. The selected manuscripts are expected to be published in International Journal of Hydrogen Energy or International Biodeterioration & Biodegradation.

Information on the Symposium, please see on the Symposium website: abbs2019.hust.edu.vn

On behalf of the organizing committee, we are delighted to invite you to join us in the ABBS-2019 in Hanoi, Vietnam.

We are looking forward to seeing you at the Symposium

The 14th ASIAN BIOHYDROGEN, BIOREFINERY AND BIOPROCESS FOR SUSTAINABLE BIOECONOMY SYMPOSIUM

November 13-15, 2019 | Hanoi, Vietnam

Symposium topic

This Symposium will cover various aspects of sustainable and innovative technologies in the fields to make them more feasible. The topics of strong interest are as below, but are not limited to:

- Biomass sources
- Biohydrogen
- Biomass process and refinery for energy and bioproducts
- Fermentation / downstream process
- Synthesis pathway for biorefinery and bioproducts
- Waste energy
- Biogas and biofuel application
- Bioenergy sustainability and bioeconomy
- Life cycle assessment

Preliminary conference program

- Nov.13** Committee meeting
- Plenary Session
- Nov.14** Parallel presentation/
Industry cooperation sessions and
Gala dinner
- Nov.15** Session presentation
Technical Tour and Culture

Conference venue

ABBS 2019 will be held in Hanoi University of Science and Technology, Hanoi, Vietnam which is located 40 minutes from Noibai Int'l Airport.
